# LEARN & WORK IN CANADA'S ECONOMIC HUB

Aside from being Canada's largest city, Toronto has cemented its place as North America's largest financial centre after New York. It's a major hub for multinational employers in finance, technology, hospitality, arts and design, entertainment, health sciences and more.

George Brown College works closely with industry partners to develop our programs and course content. Our students have incredible opportunities to learn from world-class leaders and connect and work with top professionals in their fields.

## Did you know?

You can make Canada your home after your studies. Post-graduation work permits allow eligible students who have completed their academic program to live and work in Canada between 8 months to 3 years (depending on the length of your studies). Additionally, work obtained through the Post-Graduation Work Permit Program may help support your application to become a permanent resident of Canada.

# PROGRAM LISTING 2024–2025

George Brown College offers a wide range of programs and pathways to meet your needs. We continually strive to improve its programs and their delivery. The information contained in this guide is subject to change without notice. It should not be viewed as a representation, offer, or warranty.

Students are responsible for verifying George Brown admission, graduation, and fee requirements as well as any requirements of outside institutions, industry associations or other bodies that may award additional designations concurrently with, or after completion of, a George Brown program.

Estimated amounts listed are the total of tuition fees, materials, student service and ancillary fees for one academic year beginning in Fall 2023 and ending in Spring 2024 (Sept.1 to Aug.31). Fees are subject to change for programs starting in Fall 2024 and at later dates. Estimated fees do not include co-op fees ranging from \$400-\$600 for programs with a co-op work component.

**[georgebrown.ca/internationalprograms](https://georgebrown.ca/internationalprograms)**

---

<sup>1</sup> 3 Semesters

<sup>2</sup> Amounts listed are the estimated total of tuition, materials, student service and ancillary fees for the first two semesters of programs starting in Fall 2024. Tuition fees are subject to board approval. Material, student service and ancillary fees are estimated based on prior years. All fees are subject to change without notice. This fee does not include books, which are to be purchased by the student separately. Estimated fees do not include co-op fees ranging from \$400 to \$600 for programs with co-op work component.

<sup>3</sup> Estimated fees apply to two semesters only as the third semester is for co-op or work-integrated learning placement.

<sup>1</sup> 3 Semesters

<sup>2</sup> Amounts listed are the estimated total of tuition, materials, student service and ancillary fees for the first two semesters of programs starting in Fall 2024. Tuition fees are subject to board approval. Material, student service and ancillary fees are estimated based on prior years. All fees are subject to change without notice. This fee does not include books, which are to be purchased by the student separately. Estimated fees do not include co-op fees ranging from \$400 to \$600 for programs with co-op work component.

<sup>3</sup> Estimated fees apply to two semesters only as the third semester is for co-op or work-integrated learning placement.
