

## General Education Electives Offered Through Continuing Education Spring/Summer 2024

The Continuing Education courses listed below are accepted as credit towards the *General Education Elective* requirements of most diploma and certificate programs. Other courses in the Continuing Education catalogue (even those listed under Liberal Arts and Sciences) do **NOT** qualify for General Education elective credit.

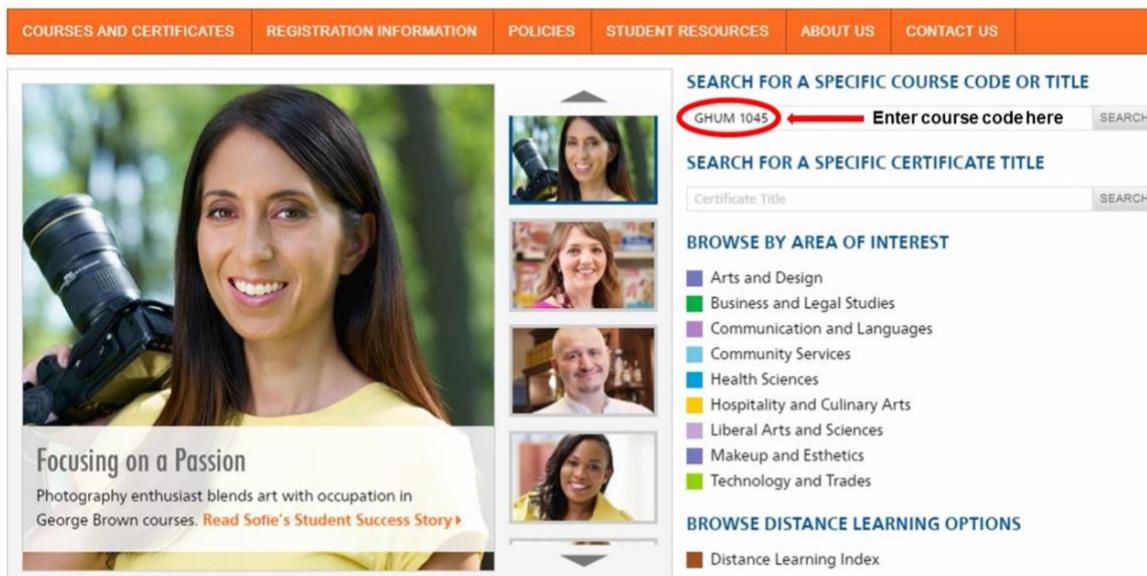

***The courses listed below do NOT apply as credit towards degree program requirements (i.e., they are not equivalent to Liberal Studies electives).***

Make sure you select courses that meet your program's breadth requirement (e.g. you have to take courses from at least two of the three categories – GHUM, GSCI, GSSC) and do not register for courses that are similar to courses that you have taken or will take in your program. It is best to check with the Electives office ([LASelectives@georgebrown.ca](mailto:LASelectives@georgebrown.ca)) before you register if you are not sure whether a course meets the General Education elective requirements for your program.

Please note that the fees for Continuing Education classes are **NOT** included in your regular full-time tuition fees. You may pay and register for these courses through the Continuing Education website.
