Distribution of Accommodation Letters

At George Brown, students have two options to distribute their accommodation letters:

1. Students can choose to have ALS send their accommodation letters directly to faculty.

This web portal was introduced to provide an efficient method of communicating that information to you. Periodically, you may receive emails from our office that will direct you to this portal to access accommodation plans for a student in one of your classes.

Unfortunately, ALS is unable to upload Accommodation plans for non-GBC faculty due to restricted access to the course registration system. In these situations, you will receive an email from an Accessibility Consultant with a copy of the student's accommodation plan. It is the student's responsibility to contact their Accessibility

Consultant to request this each semester and provide their faculty email addresses to the Accessibility Consultant.

2. Students can choose to distribute their accommodation letters directly to faculty.

PLEASE NOTE: Accommodation letters for students who choose this method will **NOT** appear on this web portal. These students may choose to share their accommodation letters with you as a printed copy, or as an electronic copy via email.

Regardless of how accommodation letters are received – web portal, hard copy in person or email from the student – ALL accommodation letters are valid for the semester indicated. If you have a concern about an accommodation letter you have received, please contact the Accessibility Consultant listed in the Accommodation Plan.

More information regarding academic accommodation guidelines for faculty can be found on our [website](#).

A word about confidentiality

All communication regarding students **MUST** be kept confidential. As an employee of George Brown College, you have a responsibility to keep accommodation plans private. We recommend you create a secure environment to store accommodation plans provided to you by students or downloaded from the Faculty Portal.

IMPORTANT: Be mindful when viewing/downloading accommodation plans on computers that are accessible to others. For security reasons, please log out and exit your web browser when you are done accessing this portal. Review the computer's downloads folder (C drive) and remove any accommodation letters that have been downloaded.
