

## Welcome New First year C156 Behavioural Science-Intensive students in Fall 2024!

- In preparation of any in-person clinical placement, there are mandatory requirements that you will need to demonstrate completion of, prior to being assigned to a clinical or field placement. These preclinical requirements takes time to complete, and it is recommended that you provide enough time for the approval process.
- Once you have gathered all the necessary documents, you will need to create an account, upload and submit all documents, certificates and evidences to the **ParaMed Placement Pass** website by the **given deadline on November 22, 2024**. A link to the portal can be found at <https://georgebrowncollege.placementpass.ca/>
- If you **fail** to complete, submit, and upload these requirements to ParaMed Placement Pass by the **given deadline on November 22, 2024**, you will be **excluded** from clinical practice which can jeopardize your academic standing & may lead to program **withdrawal**.
- Please **note** that even if you have graduated from another Dental or Health Sciences program either in George Brown College or from another college, university or institution and/or have experience working in any dental or health related profession, you are still required to complete all the non-medical certificates below. If you fail to do so, you will be **excluded** from clinical/dental/field practice which can jeopardize your academic standing & may lead to program withdrawal.
- All costs, service fees and fine associated with the overall medical and additional requirements are responsibility of the student.

**Below is a summary of all preclinical requirements that must be provided in your submission. Please read and follow all the instructions carefully:**

### Medical Requirements

- All students must provide proof of current immunization records, blood test reports and health status. Book an appointment with your doctor/walk-in clinic and bring this Health form with you to document receipt of the following -TDAP, MMR, Varicella, Hep B, Two Step TB Skin Test and Flu Shot requirements. For more information, visit <https://www.georgebrown.ca/current-students/preplacement/forms/school-of-health-and-wellness-forms>
- **COVID-19 vaccination:** Public Health Ontario recommends that people working with young children and other vulnerable communities be fully vaccinated against COVID-19. As such, students who are not fully vaccinated against COVID-19 may not be able to complete the required field placement component of their program in the regularly scheduled time frame. If you are **unvaccinated to COVID-19**, please contact us to further discuss how this will have a negative impact to your academic and clinical standing in the program.
- **Seasonal Flu Shot**-please do not worry about the flu shot at this time, if you have everything completed except your new flu shot record, you may submit your health form documents to the Paramed portal by the given deadline.
- **SPECIAL NOTE FOR INTERNATIONAL STUDENTS CURRENTLY RESIDING ABROAD OR OVERSEAS:**  
You may start all medical requirements from your home country to help you save time and money before you arrive in Canada (*except the Flu shot which you can get it done here in Nov/Dec*). Please book an appointment with your family doctor/physician from your home country and bring this health form with you and start working on the medical requirements over there. Please make sure that your doctor complete, sign and stamp this form and all the supporting medical documents are translated in English Language. If you fail to do so, you will pay all the extra medical costs and doctor's appointment here in Canada.

### Vulnerable Sector Check (renew every 6 months)

- As per policy of the placement agency partners for this program, they require our student Vulnerable Sector Check record to be valid within six months after the issued date and it must be valid for the entire duration of your field placement per academic year.
- In order to meet their VSC requirement, we will provide you all the information in how to apply for VSC online according to your specific regional police service after September 2, 2024, to allow 6 to 8 weeks processing time and receive it by the given ParaMed deadline on November 22, 2024.
