

Welcome New First Year (C405) Autism & Behavioural Science students in Winter 2025!

- In preparation of any in-person clinical placement, there are mandatory requirements that you will need to demonstrate completion of, prior to being assigned to a field placement. These preclinical requirements could take up to 8 to 10 weeks to complete, and it is recommended that you provide enough time for the approval process.
- Once you have gathered all the necessary documents, you will need to create an account, upload and submit all documents, certificates and evidence to the ParaMed Placement Pass by the given deadline on February 10, 2025. A link to the portal can be found at https://georgebrowncollege.placementpass.ca/
- If you fail to complete, submit, and upload these requirements to ParaMed Placement Pass portal by the given deadline on February 10, 2025, you will be excluded from clinical practice which can jeopardize your academic standing & may lead to program withdrawal.
- Please note that even if you have graduated from another Health Sciences program either in George Brown College or from another college, university or institution and/or have experience working in any health-related profession, you are still required to complete all the requirement outlined below. If you fail to do so, you will be excluded from field practice which can jeopardize your academic standing & may lead to program withdrawal.
- All costs, service fees and fines associated with the overall medical and additional requirements are the responsibility of the student.

Below is a summary of all requirements that must be provided in your submission. Please read and follow all the instructions carefully: Medical Requirements

- All students must provide proof of current immunization records, blood test reports and health status. Book an appointment with your doctor/walk-in clinic and bring the health form with you to document receipt of the following -TDAP, MMR, Varicella, Hep B, Two Step TB Skin Test and Flu Shot requirements. For more information, visit https://www.georgebrown.ca/current-students/preplacement/forms/sally-horsfall-eaton-school-of-nursing-forms
- COVID-19 two doses vaccination: Public Health Ontario continues to recommend that people working with vulnerable communities be fully vaccinated against COVID-19. Clinical agency partners continue to require students to be fully vaccinated against COVID-19 in order to be approved to complete clinical placements within their facilities. Agencies have the right to decline the placement of students who are not fully vaccinated, and students who are not vaccinated are at risk of not being able to complete their clinical placement course requirements. If you are unvaccinated to COVID-19, please contact us to further discuss how this will have a negative impact to your academic and clinical standing in the program.
- **IF YOU ARE EXPECTING OR PREGNANT**, please talk to your doctor about the medical requirements and you must contact us as this may impact your academic and clinical standing in the program.
- Seasonal Flu Shot-please do not worry about the flu shot at this time, if you have everything completed except your new flu shot record, you may submit your health form documents to the Paramed portal by the given deadline.
- SPECIAL NOTE FOR INTERNATIONAL STUDENTS CURRENTLY RESIDING ABROAD OR OVERSEAS: You may start all medical requirements from your home country to help you save time and money before you arrive in Canada (except the Flu shot which you can get it done here in Nov/Dec). Please book an appointment with your family doctor/physician from your home country and bring this health form with you and start working on all the medical requirements over there. Please make sure that your doctor complete, sign and stamp this form and all the supporting medical documents are translated in English Language. If you fail to do so, you will pay all the extra medical costs and doctor's appointment here in Canada.

Vulnerable Sector Check (must be valid every six months for the entire duration of Semester 2 field practice from May-August 2025)

- For students who currently reside in **Toronto region with a postal code that starts with the letter "M":** Please see the Toronto Police instruction sheet and apply online and it could take 8 to 10 weeks to process and receive your VSC record to your email account.
- For student who currently reside in another region such as (<u>Durham, Halton, Hamilton, London, Niagara, OPP, Peel & York</u>) or Out of Province.
- If you have any history of criminal record, please contact us to further discuss how this will have a negative impact to your academic and clinical standing in the program.

Final Step: Once you have everything completed and done and officially registered to your Stu-View account, your final step is to create an account, submit and upload your completed health form documents to the **ParaMed Placement Pass website** at https://georgebrowncollege.placementpass.ca/ by the given deadline.

(Service fees effective on September 1, 2024)

 Initial Clearance Fee-\$73.45 dollars tax included (unlimited document uploads until you received your first clearance, student will pay, and it is non-refundable)

(C405) AUTISM & BEHAVIOURAL SCIENCE PROGRAM-NEW FIRST YEAR STUDENTS NON-MEDICAL REQUIREMENTS (Due date: February 10, 2025)

NAME x	GBC ID# x
NAME X	GBC ID# X

VULNERABLE SECTOR CHECK APPLICATION PROCESS (must be valid every six months)

- Your academic department requires that all students must have a "clear" Vulnerable Sector Check which includes both a criminal record check and a search of sex offenders, valid for the academic year. Please attach the original VSC record, submit and upload it to ParaMed Placement Pass. If you are excluded from placement due to a "not clear" vulnerable sector check record, it will jeopardize your academic standing and can lead to withdrawal. Please contact the CPO Manager/Associate Dean to discuss this matter before you register and pay for this program. All costs associated with the police check application and additional fees related to fingerprint, court documents and Record Suspension (formerly Pardon) process are responsibility and paid by the student.
- If you have any history of criminal record or not clear Vulnerable Sector Check, please contact us to further discuss how this will have a negative impact to your academic and clinical standing in the program. Check out the YouTube tutorial videos for all the non-medical requirements at https://www.youtube.com/channel/UCIQndxFUqeBVhib3QKPQ91w
- SPECIAL NOTE FOR INTERNATIONAL STUDENTS CURRENTLY RESIDING ABROAD OR OVERSEAS ONLY: The Vulnerable sector check cannot be started until you are physically in Ontario. Canada, It is essential that you begin the process for the Vulnerable sector check as soon as you arrive and have an official address in Ontario, Canada, because the process can take at least 8-10 weeks to receive the necessary vulnerable sector check clearance particularly if you live in Toronto region with a postal code that start with letter "M".

For students who currently reside in the Toronto region with a postal code that starts with the letter "M", it is important that you follow these steps:

- Contact Suzette Martinuzzi, Clinical Pre-placement Co-ordinator to request the VSC Organization Code.
- Once you have the code, go to the Toronto Police Service website.
- Scroll down to Vulnerable Sector Check, and read the information provided. Then scroll down to the Register for an Adult Police Record Check Account box and select the Fill Out Form button.
- Complete the "Registration Account Information" and select the "Process My Registration" button. This creates your account. Now you must complete the six stages (Report, Documentation, Demographics, Payment Status, Authentication Status, and Application Status) of the VSC application. All six stages are mandatory.
- On the Report Selection page, scroll down to the Vulnerable Sector Check table and choose the Unpaid Student Placement option. Then go to the Reason for the Police Record Check table and complete as follows:
- under Course Name, type your course (or program) name
- under VSC Organization Code, type in the code provided to you by the Clinical Pre-placement Co-ordinator
- under Vulnerable Clientele Duties, type "To provide care, support, and guidance for the health and well-being of vulnerable persons from 1 to 99 years old"
- where you have to list which vulnerable sectors you will be working with, type "Children, teenagers, elderly, seniors, and persons with physical and mental disability"
- Finish answering the remaining stages. Note that payment for your online application must be provided by credit card only.
- Once your submission has been finalized, Toronto Police Service will send you an email notification indicating when you will receive your VSC results to your email account. Processing times typically take 8-10 weeks from the date the application is received but may take longer due to volume of requests and/or time of year.

For student who currently reside in another region such as (Durham, Halton, Hamilton, London, Niagara, OPP, Peel & York) or Out of Province (your postal code must start with the letter "K, L, N, P")

- Please check your specific regional police service website, and they take 8 to 10 weeks to process and issue your vulnerable sector check.
- If you require a volunteer letter to pay for the student rate (except Peel region), please email us your full name, GBC ID#, program name and your regional police service complete business address. For more details, visit .Vulnerable Sector Check website. If you do not receive your VSC after 6 weeks, it is your responsibility to contact and follow-up with your specific Regional Police Service.

VULNERABLE SECTOR CHECK

(must be valid every six months for the entire duration of Semester 2 from May to August 2025)

Issued Date _	/_	/	Expiry Date	/	/	(one year after the issued date
		mm/ dd / yyyy			mm/ dd	/ vvv

FINAL STEP:

- Once you have everything completed, your final step is to create an account, submit and upload your Health Form documents to the ParaMed Placement Pass at https://georgebrowncollege.placementpass.ca/ by the given deadline. If you fail to do so, you will be excluded from clinical practice which can jeopardize your academic standing & may lead to program withdrawal.
- After 48 hours, you must sign-in to your portal account to check the ParaMed RN evaluation result of your forms, download the Student Status Summary Report Certificate and attached it to your original health form documents, as you need to show this proof to your upcoming placement agency and for future reference.
