LAND ACKNOWLEDGEMENT

George Brown College is located on the traditional territory of the Mississaugas of the Credit First Nation and other Indigenous peoples who have lived here over time. We are grateful to share this land as treaty people who learn, work and live in the community with each other.

MESSAGE FROM THE PRESIDENT

It is an exciting time to join George Brown College as we grow to meet the needs of our city, province, country and even the world. As a downtown institution, we are truly part of the fabric of Toronto —close to the thousands of industry and community partners that inform our programming and support our students in their education and career development.

Our programs have enabled our graduates to do great things – from becoming Michelin-starred chefs to groundbreaking entrepreneurs and app developers. As one of Canada’s top research colleges, we are at the forefront of innovation. We are a deeply supportive community that can help you develop your passions and interests into workplace-ready skills.

We hope you will join us and enjoy the city as your classroom.

A handwritten signature in dark ink, appearing to read "G. Fearon". The signature is fluid and cursive, written over a light gray horizontal line.

Dr. Gervan Fearon
President, George Brown College

REASONS TO STUDY AT GEORGE BROWN COLLEGE

1 REAL-WORLD EXPERIENCE

Get a firsthand glimpse into your future career. Our facilities, like The Chefs' House and WAVE clinics, simulate real-world work environments. Enjoy the benefits of experiential learning both in and out of the classroom.

2 SUSTAINABLE ACTIONS

We're reducing our eco-footprint through the Good Food Market, campus hydration stations and more. Our new Brookfield Sustainability Institute identifies and develops smart solutions to fight climate change.

6 INFORMED BY INDUSTRY

Forget the fluff—gain knowledge you can actually use once you graduate. Our partnerships with over 5,000 industry leaders ensure the skills you learn in class are the ones you'll need on the job.

3 A PILLAR OF TORONTO'S WATERFRONT REVITALIZATION

We're not just taking up space – we're creating it. Our state-of-the-art Waterfront Campus is a cornerstone of Toronto's East Bayfront neighbourhood. In January 2025, our new mass-timber, net-zero carbon emissions building – Limberlost Place –will welcome students and community members.

4 A VIBRANT DOWNTOWN SETTING

Our location in the heart of Toronto provides you with an exciting city backdrop, and access to top employers for field education opportunities. We also have our very own student residence—The George—so you can study and live right in the centre of all the action.

7 SOMETHING FOR EVERYONE

Jewellery design, critical care nursing, digital marketing— with 233 programs at George Brown, you don't need to compromise on what you really want to do. Choose a program that's tailor-made to fit your unique needs and interests—whatever they may be.

5 EXPERT INSTRUCTORS

Get inspired and learn from some of the best in your future field. Many of our faculty members have industry experience and will share their real-world knowledge with you.

ALUMNI IMPACT

We are immensely proud of the contributions of our alumni in Toronto and around the globe.

From Michelin-starred restaurants to major construction, entertainment, community and financial organizations, our graduates are truly making an impact across a range of industries.

CONNECT WITH COLLEGE ADVISING

There's a lot to think about when applying for college. Sometimes you know what you're interested in but don't know how that can translate to a career. Other times, you just don't know where to start. Good news – our Recruitment and Advising team can help!

Entry Advisors offer group sessions and workshops about some of the most common college-related questions. They also provide individual sessions to help support your individual needs. They'll share advice, discuss your options, and set you up for your next steps.

Visit georgebrown.ca/advising to learn more and book your appointment.

OTHER WAYS TO LEARN ABOUT GEORGE BROWN

Visit us on campus – sign up for a tour to see where you'll be studying.

Register for an info session – learn about the program(s) you're considering, and have your questions answered by our knowledgeable staff and faculty.

We offer a free 1-week program called CHOICES to help you identify your strengths and career goals, and educational pathways that may be open to you.

HAVE A QUICK QUESTION?

Send an email to student.recruitment@georgebrown.ca and one of our team will get back to you.

HOW TO APPLY

In Ontario, domestic students apply to all colleges through [OntarioColleges.ca](https://www.ontariocolleges.ca). You can apply for up to five programs through one application. Most programs at George Brown are eligible for early offers, which means depending on your date of application, you may hear back as early as **November 1**. For highly competitive programs, make sure you apply by **February 1, 2025** for equal consideration for an available space.

FIND THE PROGRAM THAT'S RIGHT FOR YOU

Research programs online through our Program Finder tool. You can compare programs side by side using our Program Comparison feature.

Consider attending an upcoming open house or information session to meet faculty and staff, and have your questions answered.

COMPLETE THE APPLICATION PROCESS AT ONTARIO COLLEGES

Apply online for up to 5 programs and send in your academic documents if required. For high school applicants, grades will be transmitted electronically by your school.

COMPLETE ANY ADDITIONAL APPLICATION REQUIREMENTS AND ACCEPT YOUR OFFER

In some cases, our programs require an assessment, interview, audition or questionnaire. We will let you know if that's required for your program.

TRACK YOUR APPLICATION STATUS ONLINE

Applicants can track their application status at stuvview.georgebrown.ca.

FINANCIAL AID

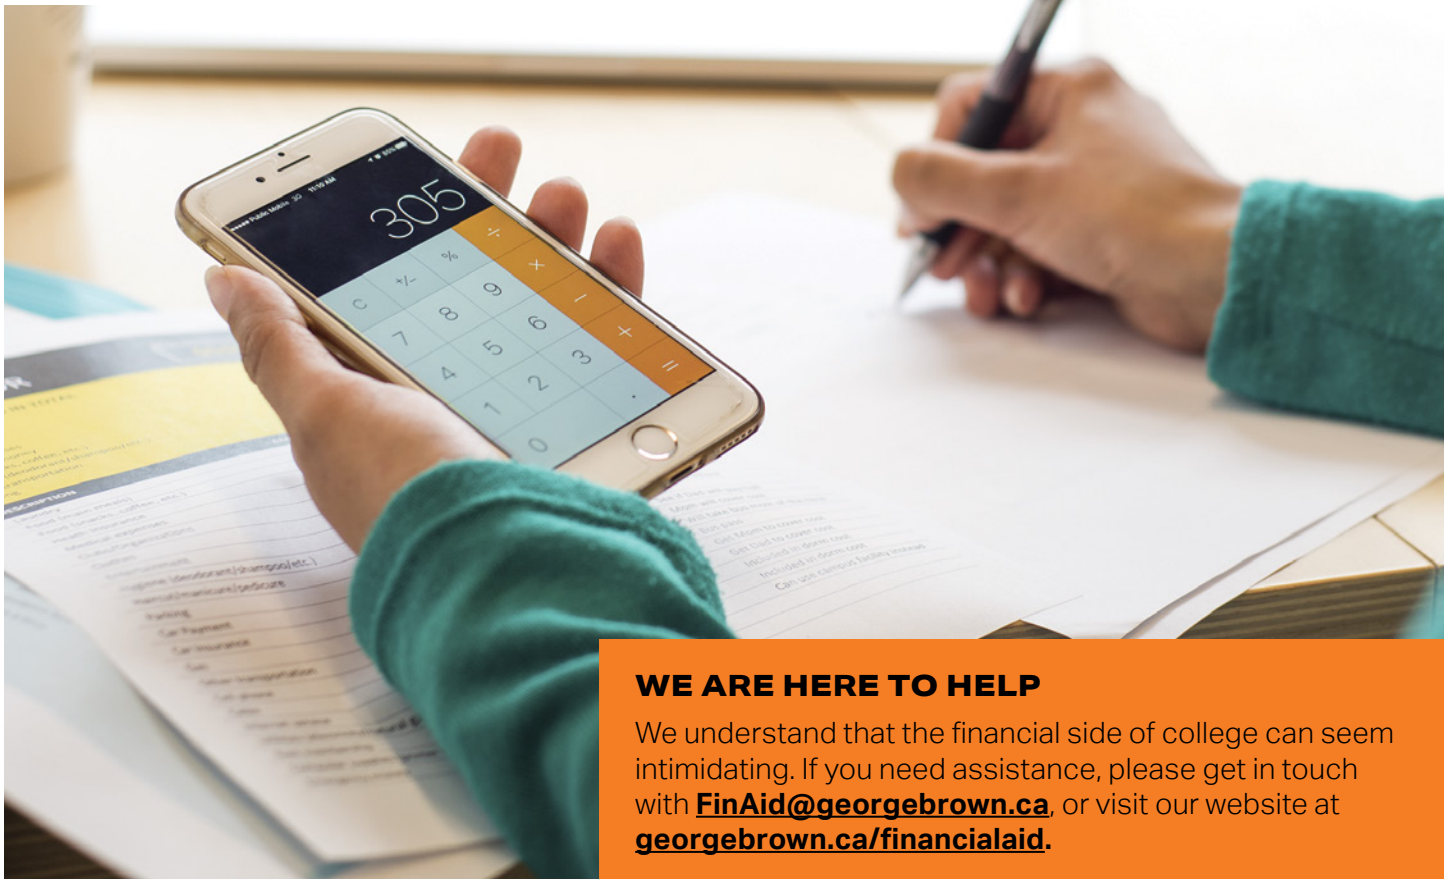

Finances shouldn't be a barrier to receiving an education. At George Brown College, we have resources that can help you pay for college, and our Financial Aid team is here to provide support.

WHAT KIND OF ASSISTANCE IS AVAILABLE?

- The Ontario Student Assistance Program (OSAP) provides assistance through loans (money you pay back) and grants (money you don't have to pay back).
- Awards, scholarships, and bursaries at George Brown recognize financial need, academic success, and community involvement. You can apply for internal awards through STU-VIEW, but external awards are also available at different times of the year.
- The Work Study Program provides eligible, full-time students with part-time work opportunities on campus. Through this program, students can work up to 15 hours a week.

WIN \$5,000 TOWARDS YOUR TUITION

Enter our contest for your chance to win \$5,000 towards your tuition. Terms and conditions apply. Visit: [georgebrown.ca/win](https://www.georgebrown.ca/win).

WE ARE HERE TO HELP

We understand that the financial side of college can seem intimidating. If you need assistance, please get in touch with FinAid@georgebrown.ca, or visit our website at [georgebrown.ca/financialaid](https://www.georgebrown.ca/financialaid).

FUNDING FOR FIRST-YEAR STUDENTS

Did you know each year we award over \$2 million dollars in scholarships, awards and bursaries to first-year students?

Many of our degree programs offer renewable entrance scholarships of up to \$2,500 a year based on academic achievement. Check out [georgebrown.ca/entrance](https://www.georgebrown.ca/entrance) for more details.

We offer specific awards by academic area, and for different demographics, including Black, Indigenous and international students as well as students that are single parents.

View the full list at [georgebrown.ca/FinancialAid](https://www.georgebrown.ca/FinancialAid).

DEGREES AT GBC

George Brown College offers a wide range of programs and pathways to meet your needs. We continually strive to improve our programs and their delivery. The information contained in this guide is subject to change without notice. It should not be viewed as a representation, offer, or warranty.

Students are responsible for verifying George Brown admission, graduation, and fee requirements as well as any requirements of outside institutions, industry associations or other bodies that may award additional designations concurrently with, or after completion of, a George Brown program.

Estimated amounts listed are the total of domestic tuition fees, materials, student service and ancillary fees for one academic year beginning in Fall 2024 and ending in Spring 2025 (Sept.1 to Aug.31). Fees are subject to change for programs starting in Fall 2025 and at later dates. Estimated fees do not include co-op fees ranging from \$400-600 for programs with a co-op work component.

Many of our programs are also eligible for international enrolment – please visit georgebrown.ca/intlprograms

CENTRE FOR BUSINESS

Located at our St. James campus, the Centre for Business is less than one kilometre away from Canada's economic hub in downtown Toronto and offers 46 full and part-time programs. The centre includes four schools: Accounting and Finance, Human Resources, Management and Marketing. Our proximity to the financial district facilitates access to top employers for field education and networking opportunities. Many of our faculty are dual professionals who teach at the college while simultaneously working in the industry. The Centre for Business regularly hosts networking events, symposia, awards and fireside chats to build exposure to current business leaders, trends and best practices.

We are pleased to be one of 2 colleges in Ontario to have earned international recognition from the Accreditation Council for Business Schools and Programs (ACBSP).

BACHELOR OF BUSINESS ADMINISTRATION (TRADES MANAGEMENT)

MANAGEMENT

The Bachelor of Business Administration (Trades Management) (Honours) is an online degree-completion program where the knowledge and skills gained through apprenticeship/journeyperson training, or trade-related diploma programs, provide the basis for advanced standing into the program.

Focus is on the business administration, managerial, accounting, project management, leadership, communication and applied research competencies needed by people working in or with the skilled trades to grow their own businesses, take on greater responsibilities in their current work environments, and/or pursue management careers in medium to large organizations.

This program is a tri-college collaboration between Algonquin College, George Brown College, and Mohawk College.

ADMISSION REQUIREMENTS:

Degree completion arrangements have been developed for four (4) Ontario college credentials:

- Building Renovation Technology – Ontario College Advanced Diploma
- Business – Trades – Ontario College Diploma
- Motive Power Technician – Ontario College Diploma
- Electrician – Ontario College Trades Certificate of Qualification

HONOURS BACHELOR OF COMMERCE (DIGITAL MARKETING)

MARKETING

The intersection of technology and personalized experiences is the cornerstone of the Honours Bachelor of Commerce (Digital Marketing) program. This four-year degree assembles two closely related industry realities: access to data, which offers opportunities for marketers to reach new audiences, and innovation in software and platforms, which has fostered personalized, direct communication with customers. Students will develop many essential skills and competencies in business concepts during the first two years of study, followed by analyzing and applying digital marketing concepts and practices in the final two years.

ADMISSION REQUIREMENTS

Ontario Secondary School Diploma (OSSD) with six Grade 12 (U or M) courses including Grade 12 (U) English and Grade 12 (U) Math.

Basic computer software applications and Mathematics of Data Management (MDM4U) courses recommended

Or: Mature Student status and Grade 12 (U) English and Grade 12 (U) Math. Mature applicants must have the English and math credits required – no Mature Student testing is offered. Post-secondary courses in English and math will be considered (certain courses only).

COMMUNITY SERVICES AND EARLY CHILDHOOD

George Brown College's Centre for Community Services and Early Childhood includes three schools: Deaf and Deafblind Studies, Early Childhood, and Social and Community Services. The Centre offers 18 certificates, diplomas, degrees and postgraduate studies that will prepare students for a career doing important and meaningful work. From supporting marginalized and underserved populations, to working with community members across the lifespan, our graduates make an impact.

The Centre has partnerships with more than 750 agencies throughout the Greater Toronto Area. We operate Ontario's largest network of college-run child care facilities which serve over 1000 children and their families each year.

Learn more at georgebrown.ca/csec

EARLY CHILDHOOD EDUCATION (CONSECUTIVE DIPLOMA/DEGREE)

EARLY CHILDHOOD

Launch your career in early childhood education with both a diploma and a degree with the four-year Early Childhood Education (Consecutive Diploma/Degree) (C118) program — a joint program with Toronto Metropolitan University (TMU).

As a graduate of the four-year Early Childhood Education (Consecutive Diploma/Degree) (C118) program, you'll enter the workforce with two credentials — an Early Childhood Education (ECE) diploma from George Brown College (GBC) and a Bachelor of Arts in Early Childhood Studies from Toronto Metropolitan University (TMU). This program offers other advantages, including college-level tuition fees for the first two years, rather than higher university fees, and the expanded career scope and direction the two credentials can provide.

ADMISSION REQUIREMENTS

Ontario Secondary School Diploma (OSSD) with six Grade 12 university (U) or university/college (M) courses, with a combined average of 65 per cent or higher; Grade 12 English (U) with a grade of 65 per cent or higher; Grade 11 Mathematics (M or U) or Science (M or U) or Grade 12 Mathematics (U) or Grade 12 Science (M or U).

Or: Mature Student status (21 years or older and out of school for two years) and Grade 12 English (U) with grade of 65 per cent or higher; Grade 11 Mathematics (M or U) or Science (M or U) or Grade 12 Mathematics (U) or Grade 12 Science (M or U), English and math/science with a combined average higher than 65 per cent. There is no mature student testing in the required credits for degree programs. Mature applicants must have the English and math credits required.

CONSTRUCTION AND ENGINEERING TECHNOLOGIES

George Brown College's Centre for Construction and Engineering Technologies includes 36 programs across four schools: the Angelo DelZotto School of Construction Management, the School of Apprenticeship and Skilled Trades, the School of Architectural Studies and the School of Mechanical Engineering Technologies. The Centre trains students to have the technical expertise and people skills to succeed in in-demand roles.

Many of our programs such as the recently launched Power & Control and Precision Manufacturing programs have been developed in consultation with industry. Students are trained in custom-built facilities to ensure familiarity with the standards and practices used in the real world.

Our Industry Liaison Office provides crucial connections for work experience, events, and more. And the college's Green Building Centre and Brookfield Sustainability Institute are providing space for industry, faculty and students to work together to develop, test and implement sustainable building strategies and technologies.

HEALTH SCIENCES

George Brown College's Centre for Health Sciences includes four schools: the School of Dental Health, the School of Health and Wellness, the School of Health Services Management and the Sally Horsfall Eaton School of Nursing. The centre offers 29 certificate, diploma, degree and postgraduate programs. Our Bachelor of Science in Nursing is a collaborative nursing degree program offered between George Brown College, Centennial College and Toronto Metropolitan University.

All Health Sciences programs offer at least one field or clinical placement opportunity, with more than 1,000 clinical placement partners, including the University Health Network. The Daphne Cockwell Centre for Health Sciences at Waterfront Campus is an applied learning facility with over 63,000 square feet of clinical and simulation space.

BACHELOR OF SCIENCE IN NURSING (B.SC.N.)

SALLY HORSFALL
EATON SCHOOL OF
NURSING

The Bachelor of Science in Nursing program is offered collaboratively between George Brown College, Toronto Metropolitan University, and Centennial College. This four-year degree is a requirement for anyone wishing to work as a registered nurse in the province of Ontario. This program, offered across all three sites, provides diverse clinical placements, simulation-based education, and interactive teaching and learning. This program is accredited by the Canadian Association of Schools of Nursing (CASN).

ADMISSION REQUIREMENTS

Ontario Secondary School Diploma or equivalent with six Grade 12 (M or U) courses including: Grade 12 English (ENG4U); Grade 12 Biology (SBI4U); Grade 12 Chemistry (SCH4U); Grade 11 Math (M or U) MCF3M, MCR3U or Grade 12 (U) MHF4U, MCV4U, MDM4U.

Applicants with prior university or college study must present a minimum combined grade point average (CGPA) of 2.33 (C+) and be considered "In Good Standing" with no failures in core prerequisite subjects to be considered. The CGPAs and/or grade(s) required in the prerequisites may be subject to competition as this is a highly competitive program.

All applications, including all supporting documentation (official transcripts, Supplementary Application Form (non-high school applicants or by request only), outstanding grades, etc.), must be received on or before the equal consideration deadline date of February 1. Additional requirements apply.

HOSPITALITY AND CULINARY ARTS

George Brown College's Centre for Culinary Arts includes two schools: our Chef School, and the School of Management and Hospitality. The Centre offers 24 certificate, diploma, degree and postgraduate programs.

The school is located in the heart of downtown Toronto, steps away from the city's top restaurants, bars, hotels and event venues. Our students enjoy state-of-the-art facilities including customized baking, culinary and mixology labs and work experience in the college's fully functional, fine dining restaurant, The Chefs' House.

The centre regularly hosts a who's who of culinary and hospitality talent including global chefs such as Nigella Lawson, Gordon Ramsay and Alain Ducasse and notable alumni Mark MacEwan, Jamie Kennedy, Bonnie Stern and Roger Mooking. In 2023, we were pleased to become the first chef school in Canada to achieve the Gold Organic Campus Designation

STUDENT LIFE

Your college experience is about much more than the classroom. Our student life team has you covered from day one. From student clubs to athletics and the Student Leadership Academy, we have many opportunities for you to connect.

You are joining a welcoming, diverse, and inclusive college community, which we are continuously working to nurture. Whether you're a new student or a returning one, a new semester can feel overwhelming. We offer a wide range of student services, including counselling, peer mentorship, and career services, as well as dedicated anti-racism, equity and human rights support. Our teams are compassionate, non-judgemental and here to help you thrive. Our Casa Loma and St. James Campuses are also home to International Student Services Hubs. Visit georgebrown.ca/services to learn more.

Another amazing resource is the Student Experience Record. At George Brown College, we recognize that your experiences both in and outside the classroom help to develop your knowledge and soft skills. The new Experience Record will help you find activities, events and employment opportunities throughout your time with us. You'll have a comprehensive list of all the extracurricular experiences you've participated in and the skills that they've helped you gain.

FIVE WAYS TO GET INVOLVED

STUDENT CLUBS

The college has 26 student clubs including entrepreneurship, gaming, and religious/cultural options.

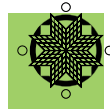

BLACK STUDENTS SUCCESS NETWORK (B.S.S.N.)

A dedicated team to help Black students at the college thrive.

PEER MENTOR+

A peer-to-peer program helping students find support and resources at George Brown College.

INDIGENOUS CENTRES

All three college spaces feature spaces for our indigenous community to connect.

CAMPUS EVENTS

Our Student Life team hosts a range of events throughout the academic year including Orientation, on-campus fairs, and more.

ATHLETICS & RECREATION

Go Huskies! The college is proud to offer a comprehensive range of varsity sports, fitness centres and classes, drop-in activities and recreational leagues.

We're here to enhance well-being and campus life – and to help our talented athletes achieve their best.

For full-time students, athletic centre memberships are included within student fees. Students can access a range of fitness classes in yoga, cardio, strength training and more.

Swing by our drop-in gym for a round of pickleball, volleyball or soccer. Or join us for an upcoming varsity game. Visit georgebrown.ca/athletics.
