WELLNESS, APPLIED RESEARCH AND VISIONARY EDUCATION

Welcome to WAVE

WAVE (Wellness, Applied Research and Visionary Education) is an onsite group of clinics spanning nearly 40,000 square feet of space where students from George Brown College's Health Sciences programs provide health and wellness services including dental and hearing assessments, under the supervision of qualified health care professionals. Located in a state-of-the-art, ecofriendly building on Toronto's waterfront, WAVE offers a wide range of economical services for clients of all ages.

Anyone attending the Clinics must have a confirmed appointment and must pass a Health Pre-Screening process

Daphne Cockwell Centre for Health Sciences
Waterfront Campus
51 Dockside Drive, 3rd Floor
Toronto, ON, M5A 1B6

For parking and TTC directions, please visit

Denturism clients must pay their accounts in full before receiving their completed dentures. Full or partial payments will be processed the day of the appointment at check-in.

Payment options include Visa, Mastercard, Amex and debit card. We accept Ontario Disability Support Program (ODSP), and Healthy Smiles, and provide claims for private dental insurance. Fees are in effect as of September 2024. Fees and services are subject to change.

PLEASE NOTE: George Brown College accepts clients to the clinical facilities based on their suitability for teaching purposes and reserves the right to refuse any client deemed not suitable. If you become a client of the WAVE Dental Clinic, appointments will be scheduled on the days and times that the assigned student is available. As our students are developing their oral health skills, complete treatments typically require between four to five appointments, and sometimes more. Dentures typically require six to nine appointments. Once you register with us, you will automatically be placed in a queue to be screened and subsequently assigned to a student. While we do our best to respond to all requests in a timely manner, please be aware that we receive a high volume of treatment requests. We will connect with you as soon as we are able.

We require clients who do not speak English to bring a friend or family member to each appointment to translate information.

To Pre-register for all Dental Services:

Complete the online registration form at georgebrown.ca/wave/register or call: 416-415-4547
