STUDY TOUR

VIRTUAL RECONSTRUCTION OF

LOST

ARCHITECTURAL

HERITAGE

IN ABRUZZO, ITALY

Experience a two-week study abroad tour to central Italy's Abruzzo region and immerse yourself in the rich architectural and cultural history of captivating locations. Participate in hands-on investigations, documentation, and conservation of regionally significant architectural heritage sites.

Experience the thrill of virtually reconstructing lost architectural heritage and contributing to cultural preservation and documentation, scientific analysis, academic opportunities, and cultural experiences. This unique opportunity will enrich your skills, broaden your horizons, and make a meaningful impact in the field of architectural heritage.

Earn course credit while embracing an unforgettable adventure!
