Step 7: Click on the Share button at the top right corner of the screen. Note the URL indicates that it is a SharePoint link.

The screenshot shows a video player interface. The video title is "how to upload to STREAM-20240313_012341". The video content displays the text "How to Upload to STREAM" on a white background with a colorful vertical bar on the left. On the right side, there is a transcript panel with a search bar and a list of timestamps and text. The transcript includes the following entries:

- 0:07 To upload to stream the first thing
- 0:10 you need to do is log into one drive.
- 0:13 So if you don't have the direct link,
- 0:16 Click to go forward, hold to see history you can search that on the judgment side,
- 0:19 you can go to judge1.ca search Office 365.
- 0:24 The first link.
- 0:29 Click here to sign in.
- 0:33 And then you can type in your
- 0:36 charge fine locking GBC ID at

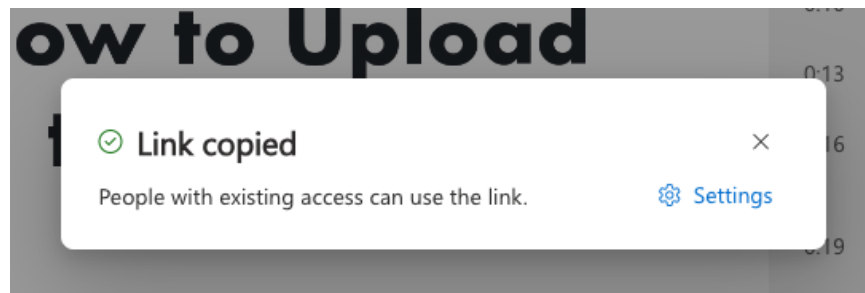

Step 8: Click on Copy link.

Tip: Use the Copy link button instead of copying and pasting the browser URL.

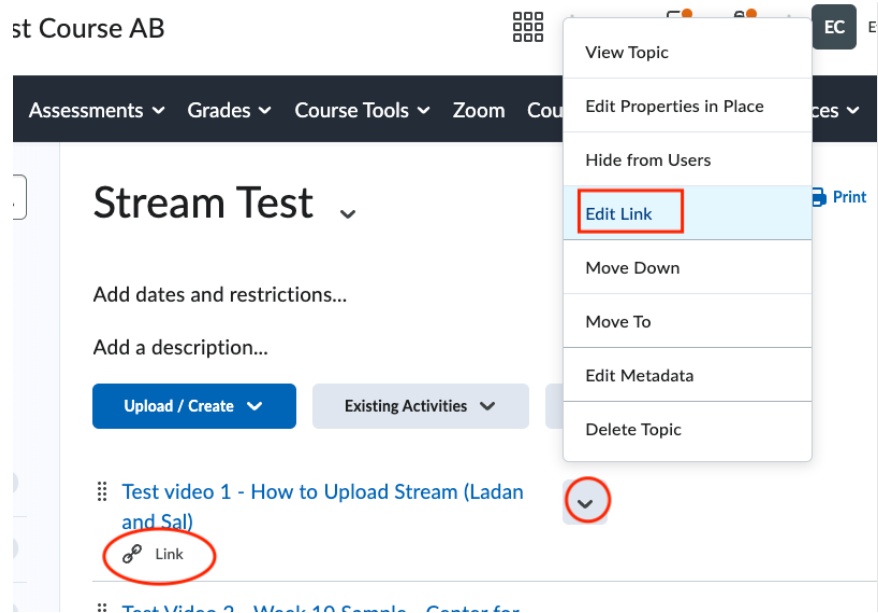

Step 9: You will receive a confirmation that your link has been copied.

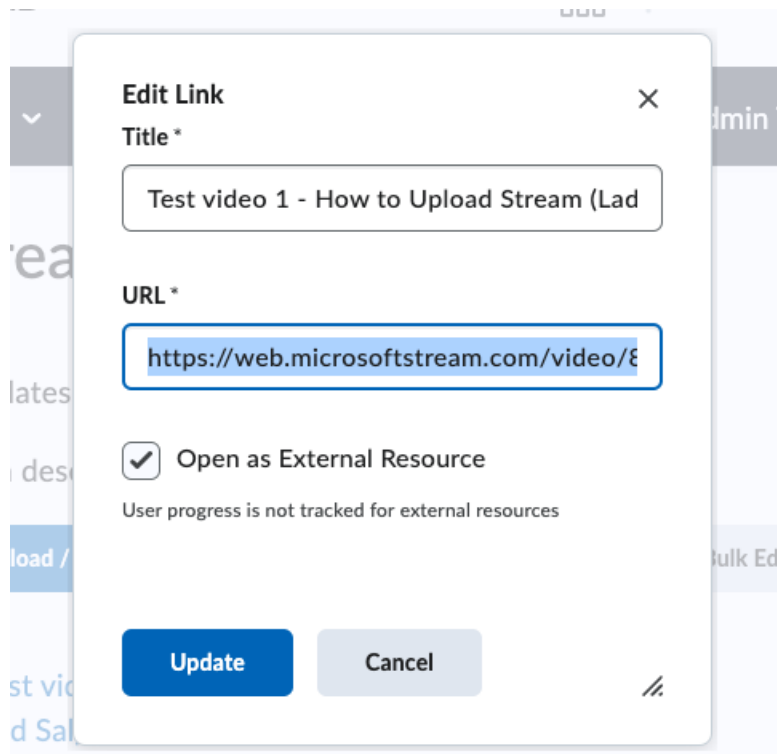

Note: Your link will keep your original permissions. To modify, click on the Settings button.

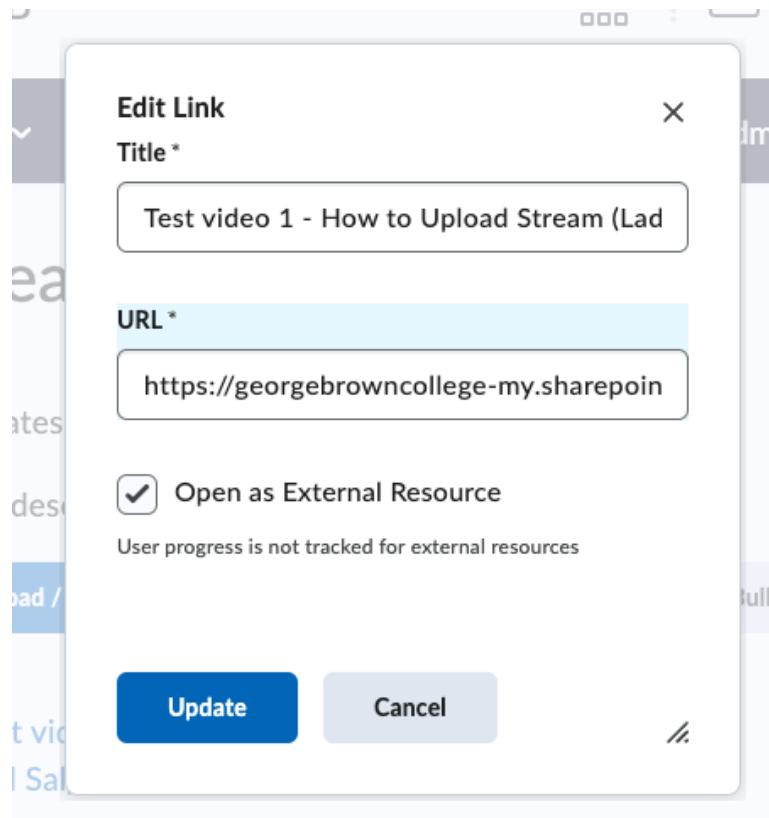

Step 10: Return to Brightspace and locate the video to update. Click on the chevron next to the title and select Edit Link.

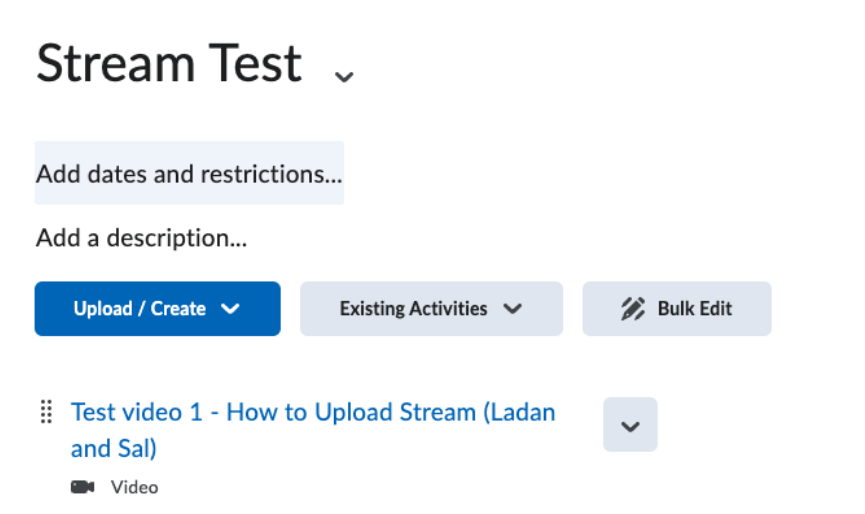

Step 11: In the URL field, select the entire link you want to update. Note the old URL will include “web.microsoftstream.com”

Step 12: Paste your SharePoint link in the URL field. Click Update.

Step 13: Once the link is updated, your video should display a video icon.
