*Please note that the NOC Code(s) provided are suggested codes, final confirmation/determination will be made by the Ministry of Labour, Immigration, Training and Skills Development (MLITSD)

3.4. What are the labour market conditions for this occupation?

Please check the [George Brown Career Coach website](#) for job/labour market information for this program/career. Career Coach offers current, local information about all jobs in the GTA, including an overview of each profession and a list of currently available positions in a given field. The data are not limited to industries supported by programs offered at George Brown College; however, where we do offer relevant programs, students are presented with options for consideration that lead them into our own program pages.

3.5. Are other licenses or certifications required for this occupation?

No.

3.6. Within the last 3 years, what percentage of students completed this program?

Please contact the program coordinator.

Email: construction_mgmt@georgebrown.ca

3.7. What percentage of students who completed this program are employed in jobs related to the program? Are the jobs full-time, part-time, or contract?

Data for the program shows that 80 percent of graduates are employed, 100 percent of employed graduates are employed in a related field, 80 percent in full time positions. (Graduate Employment Report, 2019-2020 of students who graduated in 2018-2019)

3.8. Who hires graduates of this program? Who are the employers? (Provide examples)

After graduating, you'll be able to take on entry-level roles in the residential construction sector, such as:

- Estimator
- Residential Construction Manager
- Residential Construction Project Manager
- Site Superintendent
- Project Co-Ordinator

3.9. What is the program's/institutions reputation with employers in the industry/sector?

In a word, excellent, among employers and the community at large. Many employers look specifically for a George Brown diploma. And practitioners already employed in the field are often expected to return to school to acquire the diploma.

With regard to the College in general, in a 2006 Environics poll on post-secondary institutions in Ontario, Greater Toronto Area residents (who themselves or whose family members are in college or are college-bound) name George Brown the province's "best college." Most respondents, when asked which college they would attend, make George Brown their top pick. (The next most popular college trails George Brown by almost 10 points).

3.10. Can I contact current students or graduates of the program?

The college cannot give out contact information for current students or graduates.

Student testimonials are available on the [Angelo DelZotto School of Construction Management webpage](#)
